We have the best volunteers!!

Many came together and stepped up to fix and raise the big red barn!! This daunting task was tackled by several of our members. It looks so amazing and you may just let out a "Wow!" when you see it! These guys have not only tackled that project, but several other buildings had leaking roofs, moldy walls, and other repairs that were critical. Several members also spruced up and fixed picnic tables, benches, and replaced the garden fence.
